

Fiscal Upgrade Kit for TM-m30

A fit-and-forget upgrade module for existing Epson TM-m30 receipt printers for fiscal use in Germany.

The upgrade kit for TM-m30 users complies with German fiscal law (Gesetz zum Schutz vor Manipulationen an digitalen Grundaufzeichnungen) and is fully compliant with the Technical Guideline BSI TR-03153. It's a simple, one-step, fit-and-forget, fiscal upgrade solution for TM-m30 receipt printers.

Legal compliance

The upgrade kit for TM-m30 includes a certified Technical Security Module (TSE) that's fully compliant with German fiscal law (which will come into effect on January 1, 2020).

Easy integration

Simply connect the module via the TM-m30's USB.

Cost effective

Unlike other subscription and monthly payment alternatives, you only pay for the upgrade kit to be compliant, with no extra or hidden fees.

Fit-and-forget

Unlike other fiscal solutions, the upgrade kit for TM-m30 doesn't even need an internet connection to keep you on the right side of the German fiscal law.
